4.2. When operating an ORV as authorized under this Ordinance, the operator shall comply with all of the following regulations:

A. The operator shall be a person 16 years of age or older and have a valid driver's license.

B. The operator and each passenger shall wear a crash helmet and protective eyewear approved by the United States Department of Transportation, unless the ORV is equipped with a roof that meets or exceeds the standards for a crash helmet and the operator and each passenger wears a properly adjusted and fastened seatbelt.

E. The ORV shall be operated with the flow of traffic on the street.

F. The ORV shall be operated in a manner that does not interfere with traffic on the street.

G. All ORVs shall be operated in a single-file formation, except when overtaking and passing another ORV or when being overtaken and passed by another ORV.

Security shall only be required to be in effect during the period the motor vehicle is driven or moved upon a street or road. Notwithstanding any other provision in this act, an insurer that has issued an automobile insurance policy on a motor vehicle that is not driven or moved upon a street or road may allow the insured owner or registrant of the motor vehicle to delete a portion of the coverages under the policy and maintain the comprehensive coverage portion of the policy in effect. The operator of the ORV shall have in their immediate possession proof of insurance when operating the ORV on streets and/or road and produce proof of insurance when requested by law enforcement.
