An informal survey of a few Tecumseh-area stores showed that rounding down cash transactions was most common. That fits with the goal of legislation introduced

“Given the increasing number of non-cash transactions and the very low purchasing power of a single

"The Canadian government issued clear guidelines to ensure that rounding was conducted in a manner that

Banks get their cash from cash services providers. Those providers get their

“Customers are encouraged to bring their pennies to a local banking center and deposit them to support recir-

"Realizing that pennies will exist as long as they're not being hoarded somewhere, and unless there's a drastic increase in demand for their usage, especially as card transactions increase every year, I anticipate we'll be touching those little copper things for a while," Mott said.
