During the month of March, Columbia Central elementary K-Kids were busy collecting items to assemble cake kits for the Brooklyn Food Pantry.

These kits included: cake tins, cake mix, frosting, cans of Sprite, sprinkles, and candles to help families in our community celebrate their birthdays.

At the April K-Kids meeting, students assembled the cake kits in an assembly-line fashion. "Our goal this year was 100 kits for the Brooklyn Food Pantry, and our students, members, and community surpassed that goal by collecting 162," said fourth grade teacher Jennifer Rabern. "We collected 162 cake mixes, 140 cans of Sprite, 146 frostings, 106 cake tins, 65 sprinkles, and 53 cards."

The CUES K-Kids purchased the remaining supplies to complete the rest of the kits so they were complete, she said.

There was an incentive that students would get a raffle ticket for every item they brought in. This entered them into a drawing to "pie a teacher" at a school-wide assembly.

"It was a lot of fun, and we helped out the community one ingredient at a time," she said.

**NORVELL TOWNSHIP** 39  
**ORDINANCE NO. 2026-02**  
**AN ORDINANCE TO AMEND THE NORVELL TOWNSHIP ZONING ORDINANCE REGARDING MORATORIUM**

The Township of Norvell ordains:

**Section 1. Addition of New Section 16.11 Moratoriums to Article 16 General Administration and Enforcement of the Norvell Township Zoning Ordinance.**

A new Section 16.11 Temporary Moratoriums is added to the Norvell Township Zoning Ordinance and reads in its entirety as follows:

**Section 16.11 Temporary Moratoriums**

A. Township Board. The Township Board may, by resolution, impose a temporary moratorium on the review or issuance of any applications, permits, rezonings, licenses, or approvals for existing, new, or emerging land uses in the Township if the Township Board determines that a temporary moratorium is necessary to review, enact, or amend provisions of the master plan or zoning ordinance to address land uses that may impact the health, safety, or welfare of Township residents or property.

B. Planning Commission. A temporary moratorium may also be imposed by the Township Board upon the recommendation of the Planning Commission when the Planning Commission determines that a moratorium is needed to allow it sufficient time to review and recommend amendments to the master plan or zoning ordinance concerning existing, new, or emerging land uses that may adversely affect the health, safety, or welfare of Township residents or property.

C. Resolution. The resolution must state the purpose of the moratorium and include findings of the Township Board or Planning Commission in support of the moratorium and why the Township Board has determined that the temporary moratorium is necessary and in the best interest of the public health, safety, or welfare.

D. Length of Time. Any resolution adopted pursuant to this Section must specify the length of the initial moratorium which shall not exceed twelve (12) months. In addition to the initial moratorium, the Township Board may extend the temporary moratorium if the Township Board determines that more time is necessary to review, enact, or amend provisions of the master plan or zoning ordinance to regulate land uses. Any extension shall not exceed six (6) additional months.

E. Required Notice. Notice of the resolution must be published within fifteen (15) days of its adoption. The notice must include the following:

1. A summary of the resolution's effect.
2. The length of the moratorium and whether an extension is possible.
3. Where the public may inspect the resolution enacting the moratorium.

**Section 2. Validity and Severability.**
